About Hope Walks

Hope Walks is dedicated to meeting the needs of orphans and vulnerable children affected by HIV, violence, or displacement in resource poor countries. We educate children and their communities in the U.S. about the challenges facing orphans and provide opportunities to raise funds to address those needs.

Through Hope Walks we bring hope to orphans who, like children everywhere, deserve adequate health care, education, proper nutrition, and a future. Together, we can make this possible. Come walk with us!
