

Dear friends,

On **Sunday, October 17<sup>th</sup>**, from 2 to 4 pm, we're hosting our 4th annual Hope Walks in Davis.

Hope Walks began with a passion to raise awareness of the growing number of children affected by the HIV/AIDS epidemic in resource-poor settings. The worldwide HIV/AIDS epidemic has resulted in 15 million orphans and vulnerable children worldwide, with 6,100 being added to this number daily. The needs of orphans are basic and ongoing – health, food, shelter, education. Their hopes are like those of a child anywhere – to be embraced with love and to have a secure future.

Hope Walks enables children and students in this country to make a difference by providing them with education about this global orphan crisis and by giving them an opportunity to raise funds through a walk with their families and friends. Previous walks in Davis were a great success and raised nearly \$23,000 to help orphans and HIV-infected children in India. We are looking forward to exceeding the outcomes this year.

Hope Walks – Davis is a partnership of several organizations (Sahaya International, First Baptist Church, University Covenant Church, St. James Parish, Cal Aggie Christian Association, International House Davis, Global Strategies for HIV Prevention). Funds raised through our 4th Hope Walks-Davis event will support Hope Walks programs and the care that Sahaya International offers to orphans and vulnerable children affected by HIV/AIDS in India. For more information, please visit [www.sahaya.org](http://www.sahaya.org) and [www.hopewalks.org/davis](http://www.hopewalks.org/davis).

We believe that through this walk, hope can be given to orphans and vulnerable children and that we can make a difference in their lives. Their needs are immense and growing daily. Hope Walks provides a tangible opportunity to get involved. Will you get involved?

We are also looking to community members like yourself and corporations to join us in this effort and help us accomplish this goal. There are two ways in which you and your corporation can get involved:

- a). **Can you become an event sponsor?** Please see the enclosed forms on how you can get involved on a sponsorship level.
- b). **Does your company have team spirit?** Then show it at Hope Walks Davis. Companies of all sizes are encouraged to form teams. Forming a team is a great way to boost company morale and increase community visibility. See the enclosed page for more information.

We look forward to naming you as a sponsor and/or participant of this year's Hope Walks Davis!

Please let me know if you have any questions. Thanks in advance for your support.

Sincerely,
